

### **San Francisco Bay Day Trip**

San Francisco Bay is an incredible place to paddle, with breathtaking views, abundant wildlife, and rich natural history. During your trip, your group will first learn the basics of kayaking, then experience the Bay firsthand by paddling its shoreline and stopping on one of its many beaches. This trip is great for novice to advanced paddlers of varying abilities and backgrounds.

### **Environmental Traveling Companions**

Environmental Traveling Companions (ETC) has been providing outdoor adventure opportunities to people of all abilities and backgrounds since 1972. Beginning on the banks of the Stanislaus River, ETC began using volunteers to take people with disabilities and youth from under-resourced backgrounds on whitewater rafting trips. Decades later, the organization has grown to include three main programs: whitewater rafting, sea kayaking, and youth leadership development courses. ETC is recognized as a pioneer in the industry of accessible outdoor adventure and a leader in its field. Most trips are still staffed by volunteer guides, and participants are fully engaged in all aspects of the adventure. An ETC adventure is a unique opportunity to experience nature, achieve growth through challenge, and develop stronger bonds with fellow adventurers.

### **Trip Overview**

The trip will begin with an opening circle, giving guides an opportunity to meet your group and orient them to the plan for the day. Next, the guides will instruct your group on paddling and safety, including any adaptive techniques or equipment, before getting on the water. Depending on the length of the trip and the group's paddling abilities, we may explore the eccentric Sausalito Houseboat Community, visit the Richardson Bay Audubon Center, or venture out toward the mouth of Richardson Bay while exploring the unique Sausalito shoreline. We'll stop on a new beach for lunch or head back to Schoonmaker Marina for lunch on the beach where we started. Afterwards, we'll put the equipment away together before finishing our trip with a closing circle.

### **Trip Location**

The trip will begin and end at Schoonmaker Point Marina in Sausalito, CA. Please see driving directions enclosed in this packet.

## **Guides**

ETC uses primarily volunteer and some paid guides who are highly experienced and trained in sea kayak guiding, First Aid and CPR, and working with people of all abilities and backgrounds. Our guides are enthusiastic, caring, and responsible individuals who give generously because they enjoy sharing these adventures with diverse groups.

## **Group Involvement**

ETC trips are designed to complement each group's unique culture and goals. Our guides try to adapt every trip to each group's needs as much as possible. That said, we have several expectations of all groups. First, ETC trips are cooperative adventures and we ask participants to fully participate in all aspects including trip activities (hikes, games, etc.), equipment setup and cleanup, and meal preparation. Secondly, guides will share trip ground rules and we ask that all group members respectfully follow all instructions to maintain a safe trip and inclusive community.

## **Special Accommodations**

ETC is committed to making outdoor adventure accessible to people with special needs and our guides are experienced in making adaptations for a wide range of physical and cognitive abilities. In order for us to be prepared for your group, we ask that each complete an ETC Roster no later than one week prior to your trips and discuss your group's specific needs with the Sea Kayak Program Manager.

Due to the size limitations of our kayaks, people over 250 lbs or who cannot fit comfortably into kayak seat areas with the dimensions of 35" long x 18.75" wide could be put at risk should the kayak capsize. If you are concerned about a member of your group comfortably or safely fitting inside our kayaks, please discuss this with the Sea Kayak Program Manager no later than one week prior to your trip. Unfortunately, due to the limitations of our insurance coverage, we cannot serve participants younger than 10 years old.

## **Equipment**

ETC provides all sea kayak specific equipment, including kayaks, personal floatation devices (PFDs), spray skirts, paddling jackets, paddles, and safety equipment. ETC does not provide personal equipment, and thus there is an enclosed "Equipment List" outlining what each person should bring with them on the day of the trip. For overnight trips, ETC does not provide sleeping bags, though these can be rented from a number of outdoor gear stores. We understand that outdoor equipment is expensive and do not ask individuals to purchase special items for their trip (many people already own clothing that is appropriate for sea kayaking). If you have questions about equipment please contact the Sea Kayak Program Manager.

## **Food**

ETC will provide lunch for this trip, typically premade sandwiches or a sandwich spread. Please bring a snack for the day and alert the Sea Kayak Program Manager to any dietary restrictions.

## **Trip Forms**

Each person participating in the trip, including staff, is required to complete two forms: a health form and a liability release. Both forms must also be signed by the participant or the participant's parent or legal guardian if they are under the age of 18. Both forms are enclosed in this packet. Before signing the forms, participants should review ETC's Essential Eligibility Criteria for Participation and ETC's Personal Care Attendant Policy. These are also included in this packet.

## **Sea Kayak Program Personal Care Attendant Policy**

---

ETC guides are trained in making our adventures adaptive, (including assisting with transfers in and out of kayaks and rafts and getting around camp), but they are not trained personal care attendants. Many participants with disabilities find that they need more support in the less familiar environments of our trips than they do at home.

ETC's overnight trips are usually camping trips, and some only have portable toilets and buckets for washing that are set up each night (i.e., no running water). ETC provides tents and cots for those who need them. You will need to be able to get into your tent and on and off either a cot or the ground on your own. Also, you will also need to be able to do your own toileting, washing, and dressing.

If you think that you will need assistance with any of the following: toileting, eating, taking medicines, dressing, and getting in/out of bed, ETC asks that you bring a personal care attendant with you. ETC does not want the additional cost of bringing an attendant to hinder you from being able to take part in our trips, so we offer scholarships and special pricing for attendants.

## **Sea Kayak Program Terms and Conditions**

---

We look forward to sharing an ETC adventure with your group. Below is a list of Terms and Conditions for your trip booking:

### **Reservations and Cancellations**

Participants or agency staff will be responsible for the administration of any medications they may take regularly. ETC Guides are never to be responsible for the administration of a prescription medication.

Great lunches can be a highlight of participants' days! Here are some suggestions to help you plan a group lunch.

## Sea Kayak Program Instructions for Health and Liability Forms

---

Attached to your booking are two forms that must be completed by all participants, including any agency staff. The first is a Health Form and the second is a Liability Release. Please remember the following guidelines when filling out these forms:

- Separate forms are required for each participant. Participants in the same family or household cannot use the same forms.
- Please complete these forms using blue or black ink.
- **It is very important that both forms are filled out completely. Please do not leave any field blank unless the question does not apply to you. Participants will only be allowed to participate if they have forms that are completely filled out.**
- For participants under the age of 18, both forms must be signed by a parent or guardian.
- Please do not return these forms to ETC in advance of your trip. Instead, please bring them with you on the day of the trip and ETC Guides will collect them from you upon your arrival.

Thank you very much for your assistance!
