## **ETC Baja Shared Expedition**

Espiritu Santo on the Sea of Cortez in Baja, Mexico provides the landscape for a stunning vacation paddling crystalline waters, snorkeling with tropical fish and sealions, exploring arroyos and side canyons, and relaxing on white sandy beaches. Days will include paddling the stunning Espiritu Santo coast by kayak, skiff rides for snorkeling at a sealion rookery, and happy hour with delicious meals every evening. This is a memorable adventure and perfect for the novice or experienced paddler.

## **Environmental Traveling Companions**

Environmental Traveling Companions (ETC) has been providing outdoor adventure opportunities to people of all abilities and backgrounds since 1972. Beginning on the banks of the Stanislaus River, ETC began using volunteers to take people with disabilities and youth from under-resourced backgrounds on whitewater rafting trips. Decades later, the organization has grown to include four main programs: whitewater rafting, sea kayaking, cross-country skiing, and youth leadership development. ETC is recognized as a pioneer in the industry of accessible outdoor adventures. This Shared Expedition is offered in partnership with Mary Aventuras, a premier local sea kayak outfitter in La Paz, Mexico.

## Baja Kayak Trip Overview

- **Day 1, Saturday 12/5:** Arrive La Paz, Baja California Sur, Mexico. You will have the evening on your own to experience the Malecon or downtown area, prepare for your trip, and get a good night sleep at the Hotel Posada Luna Sol.
- **Day 2, Sunday 12/6:** Meet with the Guides for a continental breakfast at the hotel and an informational meeting. Then you'll collect rental gear and transfer by motorized skiff to the island of Espiritu Santo (approximately 2 hours). You'll have lunch upon arrival at our Candelero Camp on the island, and then receive a camp orientation followed by sea kayak instruction and paddling. (B/L/D)
- **Day 3 – Day 5, Monday to Wednesday 12/7 – 12/9:** Days are full of kayaking, snorkeling, hiking, fishing, and relaxing along the shores of the enchanted island of Espiritu Santo. Guided kayak excursions of 4-10 miles are offered daily along the island coast. Other guided activities include: hiking up a beautiful arroyo, early morning fishing from a skiff (must have a license), excursions to nearby snorkeling "hot spots" including a sea lion rookery, swimming, and relaxing on the beach.
- **Day 6, Thursday 12/10:** After lunch you will transfer back to La Paz by motorized boat. You'll then check-in to the hotel where you can enjoy a hot shower and have time to take a walk into downtown La Paz or an afternoon siesta before meeting for a farewell dinner that evening (dinner not included). (B/L)
- **Day 7, Friday 12/11:** Transfer from the hotel to the La Paz airport, to the bus terminal if going to the Cabo airport, or on to your next adventure in Baja, Mexico.

Although we do our best to adhere to the above itinerary, it is subject to change for reasons beyond our control including weather. B/L/D indicates meals included in trip cost.

### Trip Location

The trip will begin and end at the Hotel Posada Luna Sol in La Paz, Mexico. Taxi drivers know the hotel by name and will be able to provide transportation from the La Paz Airport or Bus Terminal.

### Travel Information:

Guests are responsible for making travel arrangements to and from La Paz, Baja California Sur, Mexico. There are two airports that service this part of the Baja peninsula:

- **La Paz (LAP):** Flying in and out of La Paz airport is often more convenient, only requiring a short taxi ride between the airport and Hotel Posada Luna Sol. However, flights into La Paz are typically more expensive and often require at least one stop when coming from the United States.
- **San Jose Del Cabo (SJD):** The flights in and out of Cabo are typically cheaper and oftentimes direct, although this travel option requires a 2-3 hour drive between Cabo and La Paz. There are buses that make this trip regularly from San Jose Del Cabo airport to La Paz Malecon, about a 5-minute taxi ride from the hotel. We recommend Eco Baja Tours, which can be booked online at [www.ecobajatours.com](http://www.ecobajatours.com).

**ETC will be booking shuttle vans departing Cabo airport on the afternoon of Saturday, December 5, 2026 at 3pm, heading to the hotel in La Paz. And then returning to Cabo airport for early afternoon flights leaving the hotel at 9am on Friday, December 11, 2026. Please book flights that allow for plenty of time between these shuttle timings☺**

## **Arrival Time**

Guests are asked to arrive in at the Hotel Posada Luna del Sol by the 6pm on the first night of the trip so we can review necessary information and answer questions. We will meet as a group the next morning for breakfast. (most if not all people will join our group shuttle bus to and from the airport)

## **Departure Time**

There are no scheduled trip activities on the last morning of the trip. We recommend booking flights out of La Paz no earlier than 11:00AM and no earlier than 2:00PM for flights out of San Jose Del Cabo.

## **Guides**

This trip is run through our friends at Mary Aventuras, an outstanding local Baja adventure company and good friend to ETC. They use local guides who are highly experienced kayakers and very knowledgeable of the area. ETC will also have a representative on the trip to support the local team of guides and assist with any special accommodations.

## **Special Accommodations**

ETC is committed to making outdoor adventure accessible to people of all abilities and our crew is experienced in making adaptations for a wide range of physical abilities. In order for us to be fully prepared for your group, we ask that each person with a disability discuss your specific needs with the Sea Kayak Program Manager and ETC Trip Representative.

Due to the size limitations of our kayaks, people over 250 lbs or who cannot fit comfortably into kayak cockpits with the dimensions of 35" long x 18.75" wide could pose a safety risk should the kayak accidentally capsize. If you are concerned comfortably or safely fitting inside our kayaks, please discuss this with the Sea Kayak Program Manager at the time of registration.

## **Equipment**

Mary Aventuras, our partner in Mexico, provides all sea kayak specific equipment, including kayaks, personal floatation devices (PFDs), spray skirts, paddles, and safety equipment. Additionally, Mary Aventuras provides tents based on double occupancy (if you wish for a single tent, there is a supplemental fee of \$50). Personal equipment is not included in the trip fee, and thus there is an enclosed "Equipment List" outlining what each person should bring with them. If you have questions about equipment, please contact the Sea Kayak Program Manager.

## **Rental Equipment**

Sleeping pads, sleeping bags, and snorkeling equipment may be rented from Mary Aventuras in La Paz at the following fees:

- Sleeping bag with pad \$20
- Snorkel gear \$15
- Wetsuit \$15 (highly recommended for trips taking place from November through May)

Payment will be collected in Baja prior to your trip departure in cash.

## **Food**

Meals are a combination of the best of American and Mexican traditions, prepared using fresh, local ingredients. Barbecued chicken, fresh fish Vera Cruz style, grilled steak tacos accompanied by guacamole and a variety of Mexican salsas, plus fresh soups and salads prepared daily for lunch are just a few examples of the tasty menus. The motorized skiffs allow us to bring large blocks of ice to store fresh produce and indulge in luxuries not always available when camping. Each evening you can enjoy a cocktail and appetizer for "happy hour" as you watch the spectacular Baja sunset while sipping a Margarita! Special diets can be accommodated due to the variety of foods we are able to store. If interested in purchasing beer, wine, or soda to have along for the trip, there will be an opportunity to go to a local supermarket before heading to the island on the morning of Day 2.

## Overnight Accommodations

**Hotel:** The first and last night of the trip will be spent at the Hotel Posada Luna Sol, a very nice hotel owned by Mary Aventuras. Rooms are assigned for double occupancy (**if you wish for a single room, there is a supplemental fee of \$200 – this includes single tent accommodation also**).

**Camping:** We camp on sand beaches on Isla Espiritu Santo. A large kitchen tent is set up by the staff and used for cooking. A shade tarp is also set up for taking breaks from the noontime sun. Quality 3 person tents are provided for double occupancy. Bathing is available daily in the sea using a biodegradable soap that lathers in salt water. Fresh water will be available for a quick rinse from a shower to complete the process. The toilet is a porta-potty system that uses water to flush. It is placed in a secluded spot at each camp and is available from the time you arrive until you depart.

## Money in La Paz

La Paz has many ATM machines. Often you have the choice of receiving money in US dollars or pesos. Keep in mind that accessing these machines can be a hassle and they do not always work. Some businesses accept credit cards and travelers checks but many do not. US dollars are accepted at most establishments, so it is not necessary to change your dollars into pesos before you arrive. We recommend bringing plenty of cash and in small bills for rentals, restaurants, guide tips, and other incidentals.

## Gratuities

Tipping of your guides is voluntary but greatly appreciated by the guides! If you would like to leave your guides a generous tip showing appreciation for an excellent job, 5-10% of the trip cost per person is standard in the adventure travel industry. All gratuities are pooled and distributed among the local guides and staff evenly. If you do choose to leave a tip, please leave cash (USD is fine). No personal checks or credit cards can be accepted.

## **Sea Kayak Program**

### **Personal Care Attendant Policy**

- ETC guides are trained in making our adventures adaptive, (including assisting with transfers in and out of kayaks and rafts and getting around camp), but they are not trained personal care attendants. Many participants with disabilities find that they need more support in the less familiar environments of our trips than they do at home.
- ETC's overnight trips are usually camping trips, and some only have portable toilets and buckets for washing that are set up each night (i.e., no running water). ETC provides tents and cots for those who need them. You will need to be able to get into your tent and on and off either a cot or the ground on your own. Also, you will also need to be able to do your own toileting, washing, and dressing.
- If you think that you will need assistance with any of the following: toileting, eating, taking medicines, dressing, and getting in/out of bed, ETC asks that you bring a personal care attendant with you. ETC cannot provide personal attendants on our trips.
